**CORONER'S INQUEST.**—It was stated in Saturday's Gazette that a dead man had been found in the Alexandria canal and staked to the bank to await the action of the coroner. Yesterday morning Coroner Beach, of this city, at the request of Justice Henry Thomas, acting coroner of Jefferson Township, held an inquest upon the body, and the jury, of which L. D. Harmon was the foreman, after hearing the evidence of Dr. French, who had made a post mortem examination and testified that he had found no marks of violence or evidence of foul play, rendered a verdict that "the deceased came to his death between the 13th and 17th of May from drowning in the Alexandria canal, and that he was not in his proper mind at the time of his death." His missing clothing—hat, coat and vest, had been previously found lying on the canal bank at the stone abutment of the bridge that formerly crossed the canal at Swan's, some distance above the point where the body was discovered. The body was that of Mr. John C. Smith, who had been missing from his home in Washington since Tuesday last, on which day he left his home on business, saying that he would return soon. Hour after hour passed, and finally, at nightfall, he came not, causing much anxiety. On Wednesday morning a thorough search was instituted, which was kept up until information reached the family that he had been found drowned, as above stated. The deceased was 61 years of age, a carpenter by trade, a native of Wurtemberg, Germany, and has always enjoyed the confidence and respect of all who knew him. He had, however, of late been in low and depressed spirits, the reasons for which are unknown, as he has always lived happily with his family, and was devotedly attached to them. He leaves a wife and six children.

**BASE BALL.—ARLINGTON VS. HOWARD.**—An interesting match game of base ball was played Friday afternoon on the grounds of the Episcopal High School, near this city, between the Arlington Club, from Washington, and the Howard Club composed of students of the school. The time occupied was two hours and forty-five minutes; the result being in favor of the Howard's by a score of 19 to 16. The result in detail was as follows:

**COMMITTED.**—Joseph Gheen was committed to jail yesterday by Justice Beach in default of bail for his appearance at Court. The charge against him is that in July, 1870 he robbed E. T. Javins of \$185, a gold watch and a revolver, in a restaurant in Washington. The case was given to the Washington detectives at the time, but they made nothing of it. A short time ago, however, the mother of the man who had been robbed, while in the jewelry store of Mr. Acton, alluded to the robbery, when Mr. Acton informed her that he had seen the stolen watch several times since 1870, and that it had been at his store but a week or two before repairs having been left there by Mr. James McKenny. Mr. McKenny, who was at once sought for, stated that he had bought the watch from Gheen, and as the latter had been with Javins when the robbery was perpetrated, he was arrested and as above stated committed.

**INVITATION ACCEPTED.**—We understand that Linden Kent, esq., of the Alexandria bar, has accepted an invitation to deliver the annual address on the 24th of June, before the Fairfax Literary Society of the Episcopal High School, near this city. This society is named after a well remembered Alexandria boy, Rauldolph Fairfax, (son of Dr. O. Fairfax) an honored graduate of the High School in 1859, who, in the Confederate ranks, fell at Fredericksburg three years later. It seems not inappropriate that one of our citizens should address an organization so named, and we congratulate the young gentleman composing it on the selection they have made.

**MARINE RAILWAY.**—It is understood that efforts are in progress, and are meeting with encouraging prospects of success for the establishment here of a large and well equipped ship yard and marine railway. The site proposed is the property known as Hunter's Ship Yard, which was bought cheap some years ago and will be subscribed at its cost price in the stock of the company proposed to be organized. In this connection it may also be mentioned that five gentlemen of the city, who have solicitation have agreed to subscribe \$3,300 towards the building of a vessel hull on the plan proposed by a correspondent of the Gazette last week.

**CATHOLIC BENEFICIAL SOCIETY.**—At the meeting of the Catholic Beneficial Society held last night, Bishop Gibbons delivered an able and eloquent address. The committee to make nominations for delegates to the State Union, which will meet in Richmond on the 11th of June, reported the names of Orlando Wood, J. T. Hill, G. H. Harlow, J. A. Higgins, M. J. Nash and John Donnelly, who will be voted for at the election to be held at the first meeting of the society in June.

**JUDGES OF ELECTION.**—The following are the judges appointed by Judge Lowe to conduct the election on Thursday next: 1st Ward—Jacob Fultz, W. P. Graves, and M. H. Nash. 2nd—George Washington, A. C. Kell, and E. T. Steele. 3rd—A. B. Crupper, F. L. Brockett, and C. A. Felt. 4th—W. W. Harper, F. A. Reed, and L. McK. Bell.

**COLORADO BAPTIST CONVENTION.**—The Colorado Baptist Convention of the State of Virginia, which met in this city on Wednesday last adjourned sine die last night after a harmonious session, to re-assemble at Liberty, Bedford county, on the 2nd Wednesday May 1874. During the session about eleven hundred dollars were collected for missionary purposes.

**THE FISHERY.**—Since Saturday's report 90,000 herrings and 5,000 shad have been received at Fishtown, the former selling at from \$3 to \$5 per thousand, and the latter at from \$7 to \$12 per hundred. The receipts of sturgeon have been large—about one hundred, of which 25 came in one boat, and they were sold at prices ranging from 75 cents to \$4 apiece.

**ALEXANDRIA CANAL COMPANY.**—At a meeting of the directors of the Alexandria Canal Company, elected at the general annual meeting, held this morning, W. J. Boothe was qualified as President and P. G. Uhler, as Clerk and Treasurer. No other business was transacted.

**LAND SALE.**—F. A. Kirby, Auctioneer, sold this morning for D. L. Snot, trustee, six acres of land with the improvements thereon, near Ball's Cross Roads, in this county, belonging to Dr. Henry A. Armstrong, to Peter D. Birch for \$900.

## RELIGIOUS SERVICES YESTERDAY.

The weather yesterday was delightful, and large congregations were present at nearly all the churches. Services were conducted in the 1st Presbyterian Church in the morning and afternoon by Rev. Mr. Whittlesey, of Washington; those in the 2d Presbyterian Church, morning and night, by Rev. Dr. Yerkes, of Kentucky, and those in the Baptist Church by Rev. Mr. Mirick. Bishop Gibbons officiated in St. Mary's Church, as will be seen by reference to a notice elsewhere in to-day's Gazette. There were no services in St. Paul's in the afternoon, nor in the 1st Presbyterian Church at night. The pulpits of the other churches were filled by the resident clergy. The following is a report of the work done during the day by the Young Men's Christian Association:—"The Mission Sabbath School, on St. Asaph street, opened with thirty-one scholars and a full corps of teachers. The usual course of studies were pursued satisfactorily, and the session was closed with an address to the scholars by the Superintendent. The Mission Sabbath School, at the corner of King and West streets, opened with an increased corps of teachers and the usual number of scholars, and the exercises were very interesting. This school presents a promising future. The Alms House services were largely attended and very great interest was felt in the meeting; a full committee was on hand who were again greatly encouraged. At the Jail the usual interest was manifested by the inmates in the services; a full working committee was present, who report an excellent meeting. The open air meeting, at the canal basin, was a success, great interest being displayed by the boatmen in the exercises. The colporteur work previous to the meeting paved the way for the result. The 43 p. m. prayer meeting, at the corner of King and West streets, was well attended, and an efficient committee was at work, who report the same interest as before manifested in these meetings. The open air meeting, at the corner of King and Fayette streets, at 6 p. m., was more numerous attended than on the previous Sunday. Again a large force of the members were present; the exercises were truly impressive, and the members left the ground satisfied that their labor was not in vain in the Lord. This meeting will be transferred to the tunnel neighborhood on next Sunday evening. The Sunday prayer meeting in the evening, at the Methodist Episcopal Church South, though not so numerous attended as heretofore, was yet a precious season; the usual exercises of heartfelt prayer; of soul-stirring prayer, and of earnest exhortation occupied the hour, and doubtless left their impress upon the hearts of those present. This meeting will be held next Sunday in the Methodist Protestant Church at four o'clock in the evening.

**CONFIRMATION.**—At St. Mary's Church, yesterday, at 7 a. m., the Sacrament of Confirmation was administered to one hundred and seventeen persons, of whom twenty were colored; a little more than half the number being men and boys. About thirty adults, including several well-known citizens, who have recently become members of the Catholic Church, were among those confirmed.

Bishop Gibbons first made a short, but beautiful and instructive address to the candidates, and then advanced, two and two, and knelt before him as he sat in front of the altar, while their foreheads were anointed with chrism in the form of a cross; the males going first and then the females, almost all of whom wore white dresses and white veils. One old gentleman, who appeared to be very aged indeed, was so feeble as to be unable to go up, and was confirmed sitting in his chair. After the concluding prayer, the bishop gave a most impressive charge to those he had confirmed, to be soldiers of Christ indeed, and as they had become the temples of the Holy Ghost, to let no thought enter their hearts which might grieve the Spirit of Light and Love.

At 11 a. m. another very large congregation was in attendance, and the Bishop preached a most excellent discourse from the first verse of the 15th chapter of St. John's Gospel: "I am the true vine." His voice is clear and musical, and his delivery graceful and easy, and though his language is plain enough to be understood by the most ignorant, yet his style is elegant and his illustrations striking and beautiful. He spoke for forty minutes, and was heard with profound attention by the overflowing congregation, many of whom were members of other denominations. At Vespers, he benedicted at the end, the pastor officiating.

As this was his first official visit to Alexandria, he was waited upon, during the day, by various societies and individuals, who desired to pay their respects to him. This morning he went to Falls Church to locate a church which the Catholics of that vicinity are about to build.

**POLICE HEADQUARTERS.**—Phonny Arrington for assaulting and beating Jefferson Roberts, and from the resulting noise alarming the whole neighborhood of the intersection of Queen and Royal streets on Saturday night, was fined and discharged by the Mayor. Wesley Davis, colored, for stealing cigars from Samuel Jackson, also colored, was dismissed by Justice Bell upon a restoration of the plunder.

## Shocking Railroad Accident.

**POINT OF ROCKS, May 19.**—On Saturday night last two men named Nagal and Grace got off the upward bound train, on the B. & O. R. R. at this point, and were walking along on the opposite track, unmindful of another approaching train, by the locomotive of which they were struck and one of them instantly killed, having his head and one leg severed from his body, while the other was thrown upward, coming in contact with the head-light of the engine, and so mutilated that there is no hopes of his recovery. ## Presbyterian General Assembly.

**BALTIMORE, May 19.**—The Presbyterian General Assembly (10th day) met promptly at 9 o'clock. Prayer was offered by Rev. Dr. Campbell.

The special order, the report of the Centennial Committee as to whether the Presbyterian Church of the United States should take part in celebrating the Centennial Anniversary of American Independence at Philadelphia, was taken up. The report, which was made on Friday, recommended it expedient and appropriate that the church should take part in the celebration, with a series of resolutions preparatory thereto.

Rev. Mr. Overstreet moved that the report be laid on the table. He regarded it inexpedient that the church as a body should take part in the celebration. Dr. Van Dyke, of Brooklyn, offered a resolution, that while this General Assembly rejoices to hear of the proposed plan for the celebration of the Centennial Anniversary of American Independence and hopes that all our ministers and people, as citizens, will co-operate in carrying out these plans, at the same time we feel constrained as a court of Jesus Christ to decline taking part in the same.

Further debate ensued, when Dr. Nicolls, moved that the matter be referred to the trustees of the Presbyterian Historical Society, with a request that they make proper arrangements to have our Common Presbyterianism represented in the National Assembly. After a spirited debate of two hours, in which considerable feeling was manifested, Rev. Drs. Nicolls, Backus, Van Dyke, Martin and Wilson opposing the report and its recommendations, and Herrick Johnson, Judge Derrickson, Drs. Billings, Woodson, Ebenezer, Erskine and Duffield advocating the adoption of the same, Hon. Horace Maynard, of Tennessee, moved the previous question, which was ordered.

The propositions of Dr. Nicolls and Dr. Van Dyke were severally voted down by a large majority and the recommendations of the committee were adopted by one with the exception of that authorizing the board of publication to prepare and publish an illustrated volume to commemorate the National Centennial. The Centennial Committee was continued and a further committee of five to be appointed by the Moderator to co-operate with the Centennial Committee was authorized. Drs. Herrick, Johnson, Backus, and Ebenezer Erskine and Elders J. Charlton Henry, and Robert Carter, were named as such committee. Dr. Backus being at his own request excused from serving, the Assembly appointed its moderator chairman of the committee.

**The Poisoning in New York.**  
**NEW YORK, May 19.**—The story published in the Herald yesterday that six persons in the upper part of the city were poisoned by arsenic proved to be a fact. The parties are domestics in the house of M. R. Blatchford, the father of Judge Blatchford. It is thought all will recover, although one or two of them are yet very low. It has not yet transpired who administered the poison or their motive. The butler was at first charged with the poisoning, but he is also suffering from poison.
